

The Fortune of Shlichus

The following is a postscript to a *Michtov Kloli-Proti*, dated 24 Teves 5727, afternoon of Erev Shabbos Kodesh. In the letter, which was sent to numerous Chassidim, the Rebbe encourages the learning of the Alter Rebbe's teachings in honor of his Yahrtzeit, and explains the significance of the Yahrtzeit occurring on Erev Shabbos.

The Rebbe would often add a personal postscript for a specific recipient. In this particular case, the Rebbe responds to a Shliach who bemoaned the financial hardships in his Shlichus, and his thoughts to perhaps leave his Shlichus. The letter in its entirety can be found in Igros Kodesh vol. 27 pg. 280.

Presented in honor of the Kinus Hashluchim HaOlami.

Regarding the point repeated many times in your letters:

Holding a position in the [Friediker] Rebbe's institution means spiritual and physical happiness and fortune, **and not** everyone merits this. Your inconsideration and carelessness with this issue - in my opinion, I am doubtful as to whether you should continue with this job, for after all, one is not given a privilege against his will. What will be if, **Chas Veshalom**, your request of dismissal from your work is granted?!

לנקודה שחוזר עלי' בכ"כ ממכ' -

משרה במוסד כ"ק מו"ח אדמו"ר זהו אושר ועושר ברו"ג [ברוחניות וגשמיות], ולא כ"א [כל אחד] זוכה לזה. און זיין ווארפן זיך מיט דעם וכו' - לפענע"ד [לפי עניות דעת], צע"ג [צריך עיון גדול] אם ימשיך עוד בזה, שהרי סו"ס [סוף סוף] אין זכין לאדם בע"כ [בעל כרחו]. ומה יהי' אם, ח"ו, תקובל בקשת הפיטור!?
