

Sixteen Years and Growing

“Though the Rebbe is surely aware and knowledgeable of the following, yet it is obligatory to notify the Rebbe what I observed in the Chabad institutions throughout my travels..”

Thus begins a letter to the Rebbe written by Reb Yehoshua Pinson, the legendary Gabai of 770, dated 3 Sivan 5726. He continues to recount the progress the Shluchim in Milan, Italy are making with the locals; the incredible growth in the educational institutions in Kfar Chabad; and Lubavitch’s purchase of a building to accommodate the growing student-body in London, England.

The recently discovered Ksav Yad presented here is the Rebbe’s response upon receiving the letter.

Many thanks for the good reports.

[It would be worthwhile to inform the above to the Anash here – so they should know that even after the passing of the Friediker Rebbe there are locations where his students Sheyichyu perform and accomplish in his activities, and are intensifying from strength to strength].
