

The Greatest Pleasure

The Rebbe's appreciation for pe'ulos done in honor of Yud Aleph Nissan is well known. In this *maane* to Tzach of Montreal, the Rebbe thanks them for the matona they presented in honor of Yud Aleph Nissan - Shnas Hashiv'im, 5732.

The Rebbe expresses how appreciative he is in the most extraordinary terms, for their efforts in honor of Yud Aleph Nissan:

[The letter] was received; many thanks (including for the **great nachas-ruach** they brought about by connecting it with this specific date).

May they [continue to do] *Hafotzas Hama'ayonos*, and speedily bring Moshiach, when we'll go all together to greet him. I shall mention [this] at the Ohel.

נת' ות"ח ת"ח (כולל גם על הנח"ר הגדול שכיוונו היום וכו') ויה"ר שיפוצו המעיינות חוצה ובעגלא דידן ממש קאתי מלכא משיחא ונלך כולנו כאחד לקבל פניו וכו'. אזכיר עה"צ.
