# KRIAS HATORAH

26 ELUL, 5745, LEVI FREIDIN VIA JEM 266351

The Rebbe faced the *aron kodesh* while reciting “*Vayehi Binsoa*” and “*Brich Shmei*” from the *siddur*. As the *sefer Torah* was taken out, the Rebbe would follow it with his gaze until it was placed on the *bima*.

During the *kriah* the Rebbe would follow along inside with a Chumash or *siddur*. Between *aliyos*, the Rebbe would sometimes glance at a Rashi. Often, this would be the Rashi discussed at the upcoming Shabbos farbrengen.

TISHREI 5744, LEVI FREDIN VIA JEM 196204

The Rebbe would usually receive the last *aliya*. If the Rebbe would be reciting *kaddish* or *haftarah* following the *kriah*, the Rebbe would bring his *siddur*.

Before reciting the *bracha*, the Rebbe would hold the right side of the tallis or the *gartel* of the *sefer Torah* in his right hand, place it on the beginning, end, and again the beginning of the portion of the *kriah*, and then kiss it.

While slightly facing away from the Torah to the right, the Rebbe would hold on to the *atzei chaim* with both hands, and raise them up by the words “ברכו, ברוך השם, ברוך אתה ה', ברוך אתה ה'”

1 CHESHVAN 5742, LEVI FREIDIN VIA JEM 203169

During the *kriah*, the Rebbe would read inside from the *sefer Torah* at the same pace as the *baal koreh*, while holding onto the right *eitz chaim* with both hands.

After the *aliyah*, the Rebbe would again kiss the portion of the *kriah* with the tallis or *gartel*, this time in the opposite order (end, beginning, end) and then recite the *bracha* while lifting the *atzei chaim* by the words “ברוך אתה ה'; תורת אמת, ברוך אתה ה'

The Rebbe would stand on the side of the *bima* while *hagomel* or *mi shebeirachs* were recited.

6 TISHREI, 5747, LEVI FREIDIN VIA JEM 8172

Before *hagbah*, the Rebbe would kiss the outside parchment of the *sefer Torah* with his tallis.

28 ELUL, 5735, LEVI FREIDIN VIA JEMI40682

The Rebbe watched the Torah until it was returned to the aron. (Note: When attending *kriah* in the small *za*, the Rebbe would recite Tehillim at this time)
