14 ELUL 5740*

On 14 Elul 5740* the Rebbe joined the children returning home from Camp Gan Yisroel and Camp Emunah for Mincha in the main shul, followed by a rally.

The Rebbe watches as a representative from each camp gives a speech. Rabbi Alter Metzger, the rabbi of Camp Emunah, spoke of the *mesiras nefesh* of the Rabbeim for their Torah. When he mentioned the Rebbe's tremendous *peulos* around the world and how much the Rebbe put into his Torah etc., the Rebbe waved his hand, seemingly in a gesture dismissing his words.

The Rebbe addressed the children about the importance of the month of Elul as well as the upcoming year of Hakhel, stressing that children's gatherings should be arranged at least three times; before Rosh Hashanah, during Aseres Yemei Teshuvah, and on Chol Hamoed Sukkos.

Additionally, the Rebbe asked that the children should repeat the *pesukim* of Shema Yisroel and Torah Tziva once more.

The Rebbe distributed coins to the head counselors and directors of the camps. Every child received two dimes; one for tzedakah and the other to do with as they wish. As the distribution begins, the Rebbe asks Rabbi Hecht to announce once more what each child is to do with their coins.
