

Where is the Good News?

This powerful message in *ksav yad kodesh* was written as a postscript to a *michtav kloli-proti* sent to Reb Sholom Posner on 25 Adar, 5710

(the full letter appears in *Igros Kodesh* vol. 3 p. 258):

Why don't you notify [the Rebbe] at all about the good that goes on with you and in your surroundings? What is the purpose of all this despondent behavior, or a fraction thereof (if this is the reason for your silence)? And if you don't have what to write about at all, that, in its own right, is a very puzzling matter!

מפני מה אינו מודיע מאומה מהנעשה איתו ובסביבתו לטוב? ומהו התכלית מהמרה שחורה ואביזרייהו (אם זהו סיבת שתיקתו)? ואם אין ע"ד מה להודיע, ה"ז גופא תמי' גדולה מאד.
