CHOF AV MOMENTS

In honor of Chof Menachem-Av, the 75th Yahrzeit-Hilula of the Rebbe's father, Harav Levi Yitzchok, we present a selection of special Chof Av moments.

TEFILOS

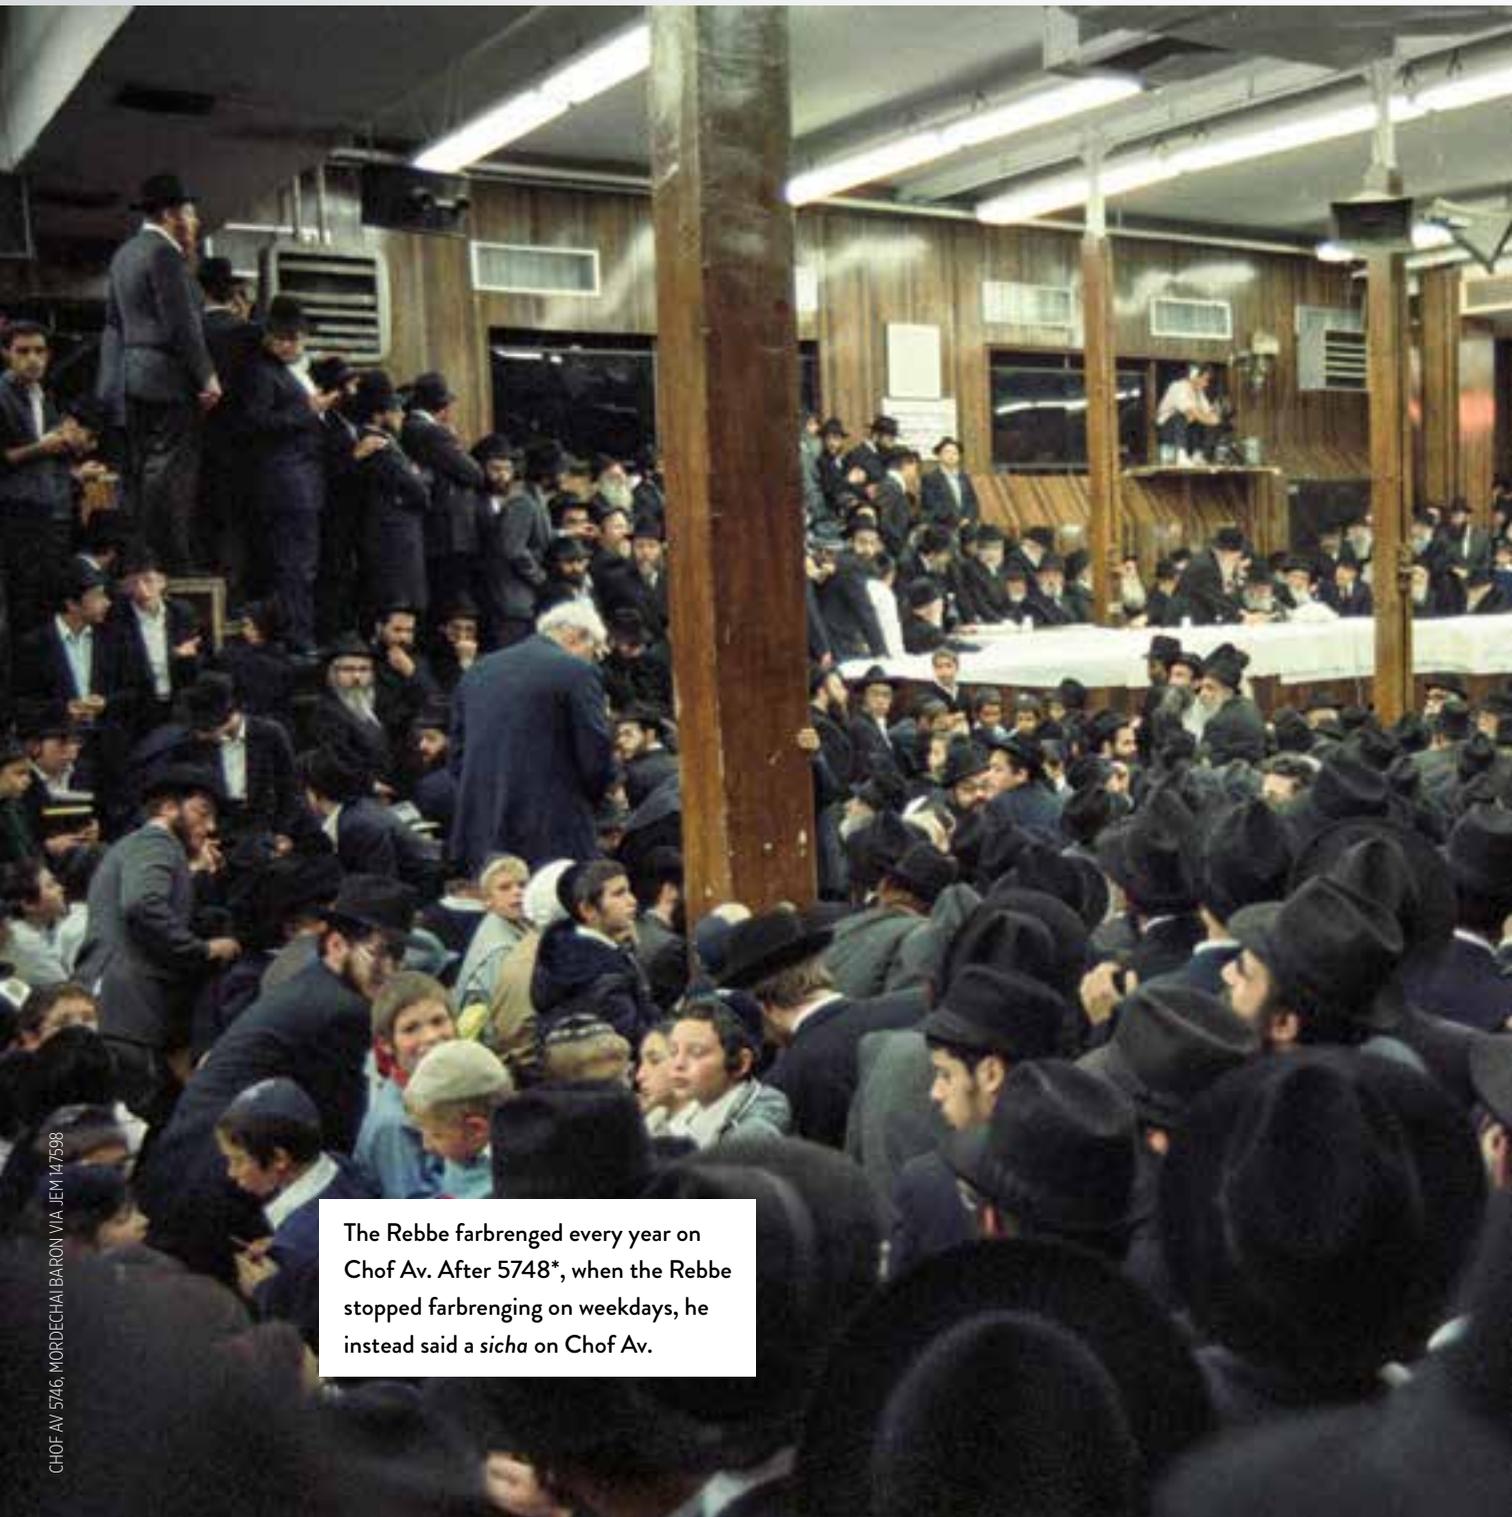

CHOF AV 5746, MORDECHAI BARON VIA JEM 147584

The Rebbe would lead all the *tefilos*.

FARBRENGEN

The Rebbe farbrenged every year on Chof Av. After 5748*, when the Rebbe stopped farbrenging on weekdays, he instead said a *sicha* on Chof Av.

CHOF-AV 5734, V SCHILDKRAUT VIA JEM 108668

The Rebbe would make a *siyum* or *hadran* every year, except for when it fell out on Shabbos. When Chof Av was on Shabbos, the Rebbe often said a *maamar* at the farbrengen as well. (In 5737*, the Rebbe said a *maamar* at the Chof Av farbrengen even though it was during the week.)

CHOF AV 5737, JEM 102958

Many times, campers from Gan Yisroel would attend the farbrengen, dressed in their camp shirts. The Rebbe would address them, and ask them to start a *niggun*.

The Rebbe leaves the farbrengen
to joyous singing.
