VOV TISHREI

YAHRTZEIT OF REBBETZIN CHANA

Following her passing in 5725 the Rebbe marked this day annually, by davening at the *amud*, reciting Kaddish and holding a farbrengen.

We present a pictorial overview of this special day in the Rebbe's presence.

The Rebbe would often devote time to the topic of Jewish women, and specifically, the mitzvot pertaining to them, of which the name Chana is an acronym: ח' - חלה, נ' - נדה ה' - הדלקת נר [Kashrus, Taharas Hamishpacha, and Neshek].

At times, the Rebbe also shared personal memories about his mother's life, and their lesson to us.
